

Policy for Women application and entry

- ❖ The University of Central Punjab focuses on values such as respect for diversity, integrity, and professionalism.
- ❖ UCP focuses on our criteria to design and implement laws, policies, programmes, and services to enable women and girls to claim their rights and expand their opportunities. Be part of a unique mandate to achieve gender equality, end all forms of discrimination, empower all women and girls, and help change the course of the 21st century.
- ❖ There is open merit to applying and steps at all stages of the recruitment process, from applying to final selection and appointment.
- ❖ Policies and practices of UCP focus on promoting women in Leadership roles and emphasize on UN-SDGs.
